

FS110 / FS130 “CENTO” Stretchwrappers

The economical alternative to hand wrapping:

The FS110/FS130 “CENTO” STRETCH WRAPPER is a reliable entry level stretch wrapper for the user who simply needs to wrap pallets quickly, consistently and all at an affordable price.

The simplicity of our Plug & Play design allows you to start wrapping with no installation costs. No special training is required by an operator to be able to operate the stretch wrapper. This FS series offers continuity for your dispatch.

BUILT UP TO A STANDARD, NOT DOWN TO A PRICE “This low-profile, semi-automatic stretch wrapper is ideal for low volume wrapping which eliminate hand wrapping.
